BIO-RAY SDX

DIGITAL INTRAORAL X-RAY SYSTEM

Lions Dental Supply
951-276-3225

EXPERIENCE THE DIFFERENCE. Small pixel size, fiber-optic plate, and needle structure scintillator makes the Bio-Ray SDX superior in resolution and image quality. From direct digital panoramic to phosphor plate systems, Sigma Digital X-Ray offers a turnkey solution for all your digital imaging needs. And Bio-Ray SDX will give you the best technology available for a reasonable price. Call us to learn more, or visit our Web site.
